

SafedoorPM Customer Portal

The screenshot shows the SafedoorPM Customer Portal interface. On the left is a sidebar with the SafedoorPM logo and a list of buildings under 'Expert Property Mgmt Group'. The main area has a header with 'CUSTOMER PORTAL', 'USERS', and 'MY SETTINGS'. Below the header are tabs for 'Building', 'Summary', and 'Schedule'. A 'Reports' button is in the top right. The main content is a table with columns: Display, Description, Note, Compliance, Active Inspection, and Schedule. The table lists four door systems with their IDs, descriptions, notes, and inspection dates. Annotations in red text and boxes point to various elements: the building list, door IDs, descriptions, inspection dates, and the Reports button.
